Dear Schools Guidance Counselor,

In order to promote higher education and to encourage individuals to enter the emergency services fields, The Leroy Township Firefighters Association would like to advise you of the availability of a \$500.00 (five hundred) scholarship to a qualifying student from Webberville Community Schools for the graduating class of 2010.

The student must have a desire to pursue further education in the fields of Criminal Justice, Fire Sciences or the Emergency Medical Services. The scholarship monies will be held by the association until it is determined that a qualifying student applies for the scholarship. The monies should be spent directly for tuition, books or incidental expenses while taking classes in the above mentioned fields of study.

If more than one qualifying student applies for the scholarship the scholarship monies may be split once. Meaning two persons may each receive a scholarship of \$250.00 (two hundred fifty). If no qualifying student applies for the scholarship monies the monies will revert to the use of the Leroy Township Firefighters Association.

If there are any questions you may reach me at (517)521-4056 anytime. You may direct your questions to the Leroy Township Firefighters Association at our monthly meeting on the on the first Tuesday of the month at the Leroy Township Fire Station. Thank-you for your time and assistance with this project.

Respectfully,
